Apple Blossom Play Group (pre-natal–5 years old)

Playgroup nurtures each child's imagination and sense of wonder while surrounded by the warmth and love of caregivers. Children are encouraged to explore and socially engage in the wonders of imaginative play, indoors and out, with toys made of natural materials. Gentle circle time provides children a rich experience of music and rhyme. Parents learn about child development in a supportive space. Experience the world of difference a Waldorf Education can make for your family.
